STATUTORY COST AUDITOR CERTIFICATE ON DOMESTIC VALUE ADDITION

Independent Audit of Domestic Content pursuant to DPIIT Public Procurement Order

MII Verification

We have conducted a statutory cost audit of the bill of materials, manufacturing cost ledger, imported component invoices, and direct labor records of M/s Trident Energy Equipment Pvt Ltd for the High-Pressure Gas Compressor Package proposed under CPCL Tender CPCL/ENG/2026/HPGC-0412. Our audit calculation establishes the actual domestic value addition as follows:

Component / Cost Element	Total Cost (INR Cr)	Imported Element (INR Cr)	Domestic Value (INR Cr)
Compressor Bare Block & Cylinders	Rs. 4.80 Cr	Rs. 3.60 Cr (Imported Castings)	Rs. 1.20 Cr
1,850 kW Motor Drive Package	Rs. 3.20 Cr	Rs. 1.80 Cr (Imported Stator)	Rs. 1.40 Cr
SIL-3 ESD Safety Logic & PLC Control	Rs. 2.10 Cr	Rs. 1.50 Cr (Imported Processor)	Rs. 0.60 Cr
Structural Skid & Mechanical Assembly	Rs. 1.90 Cr	Rs. 0.20 Cr	Rs. 1.70 Cr
Engineering, Testing & Commissioning	Rs. 2.40 Cr	Rs. 0.60 Cr	Rs. 1.80 Cr
TOTAL PRODUCTION & SUPPLY COST	Rs. 14.40 Cr	Rs. 7.70 Cr	Rs. 6.70 Cr (Domestic)

AUDITED LOCAL CONTENT CALCULATION: 46.5% DOMESTIC VALUE ADDITION

Formula: (Rs. 6.70 Cr Domestic Value / Rs. 14.40 Cr Total Value) * 100 = 46.5% Local Content.
CONTRADICTION FLAG: The bidder self-declaration claims 65.0%, but the statutory cost audit computes only 46.5%, which is below the mandatory 50.0% threshold!

STATUTORY COST AUDITOR CERTIFICATION

Name: H. N. Shah
Designation: Fellow Cost Accountant (FCMA)
